

# Skilled and Technical Sciences Education CTE Summer Conference

Taylorsville Redwood Student Center

Keynote Speaker  
Christy Thurston

**Christy Thurston** is well known within the beauty industry with over 25 years of extensive cosmetic experience. She started her career in the retail arena with Estee Lauder, Chanel and Prescriptives. In 1996 Christy was hired to fill the position of Regional Beauty Director for Nordstrom which allowed her exposure to the dynamics behind the largest and most successful cosmetic companies in the world. As Regional Beauty Director Christy traveled to New York and LA several times each year to interpret trends and gain new artistry skills to create the fresh looks being shown on the runway.

Desiring change and challenge Christy moved to the salon industry focusing her talents and energies on teaching and training salon artists and personnel. After several years working with a full service beauty supply company Christy moved on to open her own beauty salon which rapidly grew in size and reputation. There she realized the need for a complete line of professional cosmetic products within the industry. The line she created for her own salon in Utah, Mirabella Beauty is now sold in all 50 states across the country with distribution abroad as well and sales in excess of 12 million dollars per year. It is carried in hundreds of professional beauty supply stores and in thousands of salons.

In 2008 Christy sold Mirabella to John Maly, former owner of Maly's West and spent two years enjoying her family and friends. Once again bit by the beauty bug that never stops biting Christy recently opened The Beauty Bar, a day spa in Bountiful Utah and is actively developing one of the first on-line makeup academies with renowned makeup artist, Robert Jones. She is thankful for the invitation to address Salt Lake Community College today and hopes she is able to inspire you to set your sites high and focus on setting and achieving your own goals and in turn inspiring your students.

## THURSDAY JUNE 10, 2010

Registration/Breakfast	8:30 - 9:00	Oak Room
